

Survey Crew Chief

The Mannik & Smith Group, Inc., a progressive and well established Civil Engineering, Surveying and Environmental Consulting Company with offices located throughout Ohio, Michigan and West Virginia, has a Survey Crew Chief position available in our Shaker Heights, OH office.

Familiar with and ability to:

- Lead a one or two-person crew
- Use Robotic Total Stations, GPS and data collectors
- Perform field work for topographic, boundary and ALTA Surveys
- Conduct property legal research both online and at County government offices
- Upload and download data collectors
- Check field notes for accuracy and completeness

Experience with the following is a plus, but not required:

- Process topographic, boundary and ALTA Surveys using AutoCAD/Civil 3D
- Prepare legal descriptions and survey plats
- Prepare construction staking materials, including point files

Preferred Qualifications:

- Ohio SI or on track leading to licensure in Ohio
- Knowledge of Trimble Robotic Total Stations and GNSS data collection
- Some experience with AutoCAD or Civil3D
